Staff development shall be predominantly campus-based, related to achieving campus performance objectives, and developed and approved by the campus-level committee [see BQB].

The staff development provided by the District must be conducted in accordance with standards developed by the District and designed to improve education in the District.

The staff development must include training, based on scientifically based research, that relates to the instruction of students with disabilities and is designed for educators who work primarily outside the area of special education. The District is required to provide such training only if the educator does not possess the knowledge and skills necessary to implement the individualized education program developed for a student receiving instruction from the educator. The District may determine the time and place at which the training is delivered. In developing or maintaining such training, the District must consult persons with expertise in research-based practices for students with disabilities, including colleges, universities, private and nonprofit organizations, regional education service centers, qualified District personnel, and any other persons identified as qualified by the District.

The staff development may include:

1. Training in technology, conflict resolution, and discipline strategies, including classroom management, District discipline policies, and the Student Code of Conduct; and
2. Instruction as to what is permissible under law, including opinions of the United States Supreme Court, regarding prayer in public school.

*Education Code 21.451*

The District may use District-wide staff development that has been developed and approved through the District-level decision process. *Education Code 21.452(c)*

A district that receives assistance under Title I shall provide high-quality professional development that will improve the teaching of the academic subjects, consistent with the state content standards, to enable all children to meet the state’s student performance standards; and shall meet the requirements of federal law. *20 U.S.C. 6320(a), 7801(34)*

A teacher shall attend a reading academy under 19 Administrative Code 102.1101 if:
1. The teacher teaches at a campus that fails to satisfy any performance standard under Education Code 39.054(d) [see AIA] on the basis of student performance on the state reading assessment instrument administered to students in any grade level at the campus; and

2. The teacher teaches in general education, special education, or English as a second language for students in grade 6, 7, or 8, and:
   a. The teacher is a certified, full-time English language arts and reading teacher who instructs English language arts and/or reading for at least 50 percent of the teacher’s instructional duties; or
   b. The teacher is a certified, full-time content area teacher who instructs mathematics, science, and/or social studies for at least 50 percent of the teacher’s instructional duties.

From funds appropriated for this purpose, a teacher who attends a reading academy is entitled to a stipend in the amount determined by the Commissioner. The stipend shall not be considered in determining whether the District is paying the teacher the state minimum monthly salary [see DEA].

_Education Code 21.4551(c), (e); 19 TAC 102.1101(b)_

The District shall ensure that:

1. Before assignment to the program for gifted students, teachers who provide instruction and services that are part of the program have a minimum of 30 hours of staff development that includes nature and needs of gifted/talented students, assessment of student needs, and curriculum and instruction for gifted students.

2. Teachers without the required training who provide instruction and services that are part of the gifted/talented program complete the 30-hour training requirement within one semester.

3. Teachers who provide instruction and services that are part of a program for gifted students receive a minimum of six hours annually of professional development in gifted education.

4. Administrators and counselors who have authority for program decisions have a minimum of six hours of professional development that includes nature and needs of gifted/talented students and program options.

_19 TAC 89.2_
A teacher of an elective Bible course offered under Education Code 28.011 [see EMI] must hold a minimum of a High School Composite Certification in language arts, social studies, or history with, where practical, a minor in religious or biblical studies. The teacher must successfully complete the staff development training developed by the Commissioner with respect to Bible elective courses. Education Code 28.011(f)

All adult education staff shall receive at least 12 clock hours of professional development annually. All staff new to adult education shall receive six clock hours of preservice professional development before they begin work in an adult education program. 19 TAC 89.25(1), (2)

Directors, teachers, counselors, and supervisors who do not have valid Texas teacher certification must attend 12 clock hours of in-service professional development annually in addition to the 12 hours required above until they have completed either six clock hours of adult education college credit or attained two years of adult education experience. 19 TAC 89.25(4)(B)

The in-service professional development requirements may be reduced by local programs in individual cases where exceptional circumstances prevent employees from completing the required hours of in-service professional development. Documentation justifying such circumstances must be kept. Requests for exemption in individual cases may be submitted to TEA for approval in the application for funding and must include justification and proposed qualification. 19 TAC 89.25(5)

The above requirements also apply to volunteers who generate student contact time that is accrued by the adult education program and reported to TEA for funding purposes. 19 TAC 89.25(7)

Records of staff qualifications and professional development shall be maintained by the District and must be available for monitoring. 19 TAC 89.25(6)

The District shall annually make available to employees and volunteers instruction in the principles and techniques of cardiopulmonary resuscitation and the use of an automated external defibrillator (AED).

The instruction provided in the use of AEDs must meet guidelines for approved AED training under Health and Safety Code 779.002. Each school nurse, assistant school nurse, athletic coach or sponsor, physical education instructor, marching band director, cheerleading coach, and any other employee specified by the Commissioner, and each student who serves as an athletic trainer, must:
EXTRACURRICULAR ACTIVITY SAFETY TRAINING

1. Participate in the instruction;
2. Receive and maintain certification in the use of an AED from the American Heart Association, the American Red Cross, or a similar nationally recognized association.

*Education Code 22.902*

The following persons must satisfactorily complete the extracurricular safety training program developed by the Commissioner:

1. A coach or sponsor for an extracurricular athletic activity;
2. A trainer, unless the trainer has completed the educational requirements for licensure as a licensed athletic trainer set forth at 22 Administrative Code 871.7 and the continuing education requirements at 22 Administrative Code 871.12;
3. A physician who is employed by the District or who volunteers to assist with an extracurricular athletic activity, unless the physician attends a continuing medical education course that specifically addresses emergency medicine; and
4. A director responsible for a school marching band.

The training may be conducted by the District, the American Red Cross, the American Heart Association, or a similar organization, or by the UIL.

*Education Code 33.202(b), (f); 19 TAC 76.1003*

RECORDS

The Superintendent shall maintain complete and accurate records of the District’s compliance and the District shall make available to the public proof of compliance for each person employed by or volunteering for the District who is required to receive safety training.

A campus that is determined by the Superintendent to be out of compliance with the safety training requirements shall be subject to the range of penalties determined by the UIL.

*Education Code 33.206; 19 TAC 76.1003(e)*

STEROIDS

The District shall require that each employee who serves as an athletic coach at or above the seventh grade level for an extracurricular athletic activity sponsored or sanctioned by the University Interscholastic League (UIL) complete:

1. The educational program developed by the UIL regarding the health effects of steroids; or
2. A comparable program developed by the District or a private entity with relevant expertise.

*Education Code 33.091(c-1)*
If the District receives resources from the Commissioner’s staff development account, it must pay to the Commissioner for deposit in the account an amount equal to one-half of the cost of the resources provided to the District. *Education Code 21.453*
