We, the student body of South Houston High, salute you, Trojans of '58. In this past year, despite your losses, you have claimed the respect of every opponent and spectator. Even before school opened, you came each day and trained for what lay ahead. As September rolled around, expectations were high, spirit was at its peak, and we all waited for that first test in football competition. Throughout the season you played hard and had a tremendous desire to win. To you who are graduating, we say good luck and thank you. To you who remain, may next year hold greater victories. To all of you we give our deep and humble gratitude for a job WELL DONE.

So. Houston 40      San Jacinto 0

The Trojans from South Houston High erupted into big time high school football, crushing the Bears of San Jacinto High 40-0. Moving behind a strong line led by Guard Ralph Johnson, halfback Dennis Breeden gave South Houston its first TD in football competition. The second score came after a 59-yard drive featuring Quarterback Scooter Ashlock. A tricky punt set up the next TD for Edward Douglass. Featuring an 80-yard drive, Geissen, McGowen, and Wilson accounted for the Trojans' final points.

So. Houston 6      Jones 34

Houston's newest high school, Jesse H. Jones, started their first season by defeating the Trojans 34-6 in Jeppesen Stadium. Jones' back Kenny McRill was outstanding as he scored 3 touchdowns. His brother Billy quarterbacked all five touchdown drives. The determined Trojans fought the Falcons down to the last minute and scored midway in the fourth quarter on a run by Lloyd Geissen.

So. Houston 28 Smiley 0

South Houston scored in every quarter to shut out the Smiley Eagles 28-0 at Pasadena Memorial Stadium. Kenneth McGowen led the Trojan scoring attack in the third and fourth periods on runs of 5 and 16 yards each. In the first quarter Scooter Ashlock sneaked 2 yards for the first score and passed to Edward Douglass for the second. Dennis Breeden added the four extra points to give the Trojans their second win of the season.

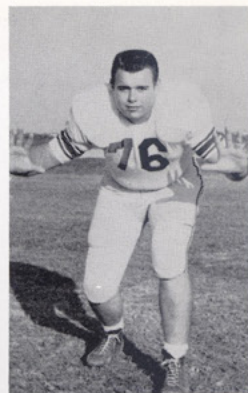

So. Houston 0 Texas City 26

The Stingarees won their first game of the season and managed to give the Trojans their only shut-out of the season. In their first district game the Trojans got the bad breaks. Richard Moreno accidentally stepped out of the end zone to give the opponent two points. Texas City took a S.H. punt on the 31 and in seven plays scored. After a scoreless third quarter the Stings scored again. Texas City seemed to have all the luck as they intercepted a Trojan pass and raced all the way. Before the game was over they had accumulated 12 more points. All tries for extra points failed.

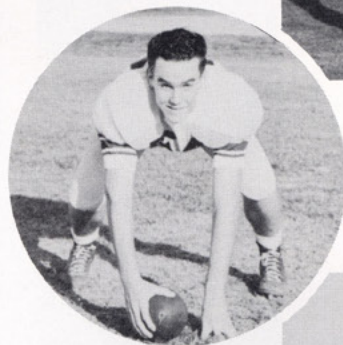

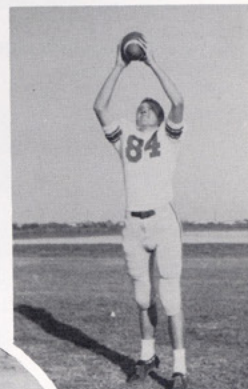

This Stingaree is determined to get through.

On a muddy, slow field in Freeport's Hopper Stadium the Exporters won their first district game of the season, defeating the Trojans before 3,000 fans.

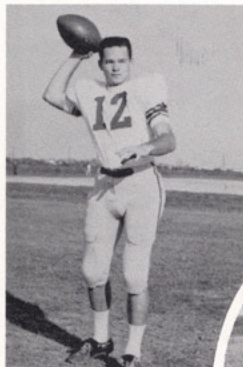

Exporter back Dale Kimbrough scored the first touchdown on a 37-yard run. Melburn Emmons, quarterback, scored on an end run and also accounted for 4 extra points.

In the third quarter Watts and Morris accounted for 2 more Brazosport touchdowns.

The never-say-die Trojans started their drive in the fourth quarter scoring on a short run by Dennis Breeden and on another sprint by Paul Gomez.

So. Houston 6 Ball 45

Galveston's Ball High Tornadoes swept into Pasadena, surprising South Houston fans and possibly their own fans with a final score of 45-6.

The Tors, who had accumulated only 30 points in their five previous outings, took complete charge of the game after the Trojans jumped into a 6-0 lead in the first quarter.

South Houston took the opening kickoff from its own 43 to the Ball 10 and Kenneth McGowen swept his left end for the lone Trojan score.

From then on it was all Galveston's night. The Tors took advantage of the breaks and scored six consecutive touchdowns with an added conversion each time.

So. Houston 10      Pasadena 36

In the most highly anticipated game of the season, the Trojans clashed with their former classmates, the Eagles of P.H.S., on October 31.

Playing the team that eventually went to the state finals, the Trojans showed the same desire which they had shown in previous games. But the high flying Eagles proved to be too much as they held a commanding lead of 14-0 in the first quarter and had raised the score to 36-0 at the end of the third quarter. But the gritty Trojan team did not mean to be counted out. An intercepted pass brought South Houston to the Eagle 18 where Ashlock hit Gomez for the score. Two points were added. The Trojans trapped P.H.S. in its end zone for two points.

EDWARD DOUGLASS  
Back

So. Houston 6      Galena Park 45

The scoreboard being obscured by fog, pressbox occupants calculated the score was Galena 45, South Houston 6. The final quarter of the game was played in a setting that saw the stands disappear in banks of fog. But before the fog closed in the Yellow-jackets displayed their usual power. The first quarter saw Galena jump to the lead on the heels of Gordon Elliot, who climaxed a 43-yard drive with a 13-yard dash. Completing the scoring for Galena was Jerry Cook, Elliot, Stu Stuart and Ken Whitney.

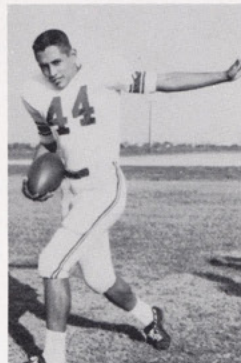

The gallant Trojans got the ball as the fog began to close in and began a drive from their own 35 with Edward Douglass scoring from the 1-foot line.

There is no doubt that Edward Douglass (40) will down Pasadena Halfback David Webb (20).

# 1st SEASON WITH 2-8 MARK

So. Houston 14      Baytown 21

The South Houston Trojans got two brief tastes of glory in Pasadena Stadium before bowing to the Baytown Ganders 21-14. Coach Morgan's inspired club twice led the powerful Ganders only to see an upset victory snatched from their grasp. Gander Back Murray Foreman was chiefly responsible for the heartbreak. He grabbed a South Houston pass on the Trojan 30 and 7 plays later Baytown had a TD. With Breeden and Douglass tearing at the Baytown line the Trojans went 60 yards with McGowen accounting for the touchdown. Ashlock shot to Ripley for two points and an 8-7 lead. In the third quarter the rampaging Trojans launched another drive. Ashlock fired to Breeden and the South Houston stands went wild when the 14-13 figures went on the scoreboard. But the Trojans' hopes for headlines ended when Del Mangum went 16 yards for the final Gander score and Al Dennis plunged for the 2 points.

So. Houston 16      Spring Branch 46

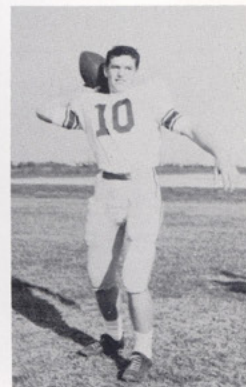

The Trojans witnessed defeat in their last game of the season as inspired Spring Branch galloped for a 46-16 win before a Homecoming crowd of 5300.

Lyons and Hinojosa accounted for the first two Bear touchdowns. Kirby Smith added a third.

The Trojans marched 73 yards in seven plays in the third quarter for their first TD with Breeden going over from the 3. Breeden passed to McHalfey for 2 more points.

The Bears added two more in the third and one in the fourth to build up a considerable lead.

With 3 minutes left Ashlock passed to McGowen for the last touchdown and the Trojans ended their first football season with a 2-8 record.

## TRIBUTE

The sport that combines skill, reflexes, coordination, speed, and endurance is basketball. In their first season of 12-4A competition the men of the hard court played well. Trojan fans witnessed trickery, speed, and accuracy during each game. Moral victories are losses in the record books but Trojan fans will always remember this team for its desire and determination. Tribute is paid with gratitude to the Trojan basketball team of 1959.

Coach Tom Sewell guided the Trojan basketball squad through its first season in district 12-4A competition.

## PRE-SEASON ROUNDUP

The Trojan five from South Houston built an outstanding pre-season record of 10 wins and 10 losses. They participated in 2 tournaments and won the first game of each. Highlights of the pre-season games were conquests over the high-rated Eagles of St. Thomas and Aldine and victories over Conroe and El Campo.

The high scoring of Kenny McGowen, the brilliant playmaking of Larry Johnson, the skill demonstrated by Ronnie Rucker, the hustle put forth by M. L. Mayo, and the effort exerted as a team were all witnessed by Trojan fans during pre-season play.

South Houston kicked the basketball season off with a bang by topping the Texas City Stings 50-44.

Leading at halftime, 21-18, the Trojans watched the Stings tie it up, 40-40, late in the game. But good rebounding by 6-4 Ruben Brown and two quick buckets by Ronnie Rucker put the Trojans home free. Rucker was high scorer for the night with 19.

### SPRING BRANCH EDGES TROJANS 46-37

#### BALL SURPRISES TROJANS 50-48

An old saying: it's hard to beat an opponent on its own home court, and although leading throughout the game, the Trojans lost 50-48 to the Tornadoes of Galveston's Ball High School.

Guard M. L. Mayo and Center Kenneth McGowen were the high point men for South Houston.

#### GALENA PARK BEATS TROJANS 54-42

The Trojans surprised many sportsters losing by only 12 points to Galena Park.

The Jackets awoke in the fourth quarter to find themselves hotly pursued by the ambitious Trojans.

But the Galena Parkers, determined to stay in first place in district, managed to stave off a last minute rally by the inspired Trojans and won the game.

#### BAYTOWN CRUSHES TROJANS 70-48

A crushing 70-48 defeat was handed the Trojans by the Ganders of Baytown.

The first half action saw a comparatively even game as the first period ended with the score 18-12 in Baytown's favor. But by the third quarter the Ganders had raised the score to 57-35.

Not in the least unnerved, the Trojans came back strong in the fourth quarter to hold Baytown's 22 point lead where it was.

Making his first district appearance was Buddy Griffin who scored 10 points and played an excellent game. McGowen led with 11 points.

Nothing but Bears, but Rucker still comes down with the ball.

SCOOTER ASHLOCK

## TROJANS CLIP TEXAS CITY 51-45

South Houston defeated Texas City for the second time as Ronnie Rucker ran wild and scored 24 points.

The improving Trojans completely dominated the Stingarees as they took the lead midway in the first quarter and held it the rest of the way.

Ruben Brown, one of the starting five, suffered a broken left arm and was out for the rest of the season.

Mayo and Rucker are awaiting the results.

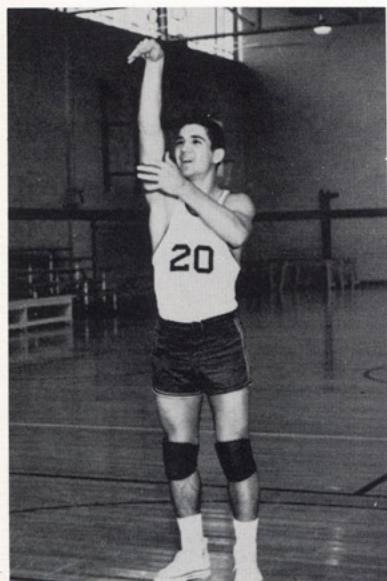

## TROJANS LOSE TO SPRING BRANCH 43-52

The Trojans started this game with a determination to revenge their previous loss to the Bears. But Spring Branch appeared to be determined also and eventually came out on top with 52 points.

This was the Trojans' ninth district game and at the time they had a 6-2 district record. However, this loss did not dampen their hopes as the following games scores indicate.

RONNIE WAMBLE  
Guard

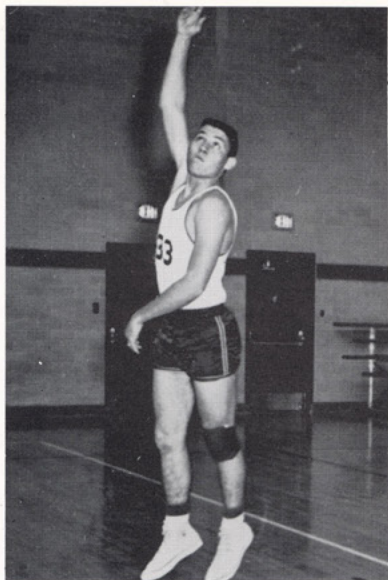

McGowen and Mayo are determined to take the ball.

## TROJANS EASE BY EXPORTERS 50-19

Larry Johnson's field goal with 15 seconds left provided the winning margin in a 50-19 victory for South Houston over Brazosport.

The Trojans led 48-17 when Johnson connected, but the Exporters quickly brought the ball downcourt and Wallace Krebs hit a long one with nine seconds left to cut the edge to a point. Johnson scored 14 points and Mayo had 13.

BILLY RIPLEY  
Guard

Buddy Griffin goes high for one of his favorite shots.

#### TROJANS FALL TO PASADENA 69-52

Larry Johnson had 16 points for the Trojans while Carl Choate's 18 points paced Pasadena past South Houston 69-52.

The Trojan cagers gained a lead several times in the first half as both teams took turns scoring.

In the second half the Eagles felt a spark and rocketed the score to 43-33 by the end of the third quarter.

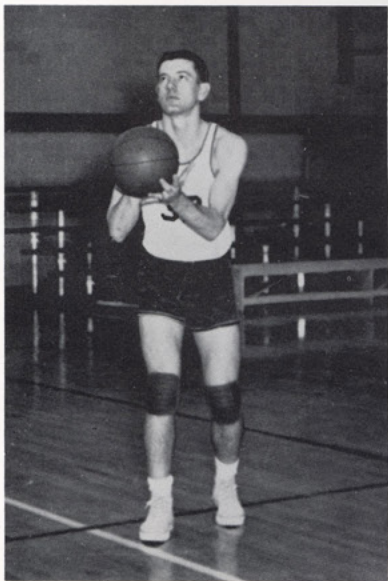

In the closing minutes the Trojan five burst out in a rash of scores but too late to threaten the Eagles' lead.

#### GALENA PARK EDGES TROJANS 58-50

South Houston held down the Galena Jackets in an outstanding defensive game but the giants from Galena pulled away in the fourth quarter to notch their 11th district win of the season.

Paced by Buddy Griffin and Ronnie Rucker the Trojans played one of their best games of the season against the league-leading Jackets and Trojan fans were more than satisfied with their showing.

Forward

BILL WAGNER

#### BAYTOWN STUNS TROJANS 77-55

Baytown's Ganders kept right on the trail of Galena Park in the district race by tripping the Trojans in the Gander gym.

Baytown, enjoying its most successful basketball season, was paced by All-District scoring leader Ray Wolfe who had 16 points for the winners.

## TROJANS REVENGE BALL 53-51

In their last game of the season the Trojans of Coach Tom Sewell downed the Ball High Tornadoes 53-51.

Ronnie Rucker scored 18 points and he had able help from Buddy Griffin's 15.

Ball High, determined to beat the Trojans, found the well balanced attack too much for them and bowed out gracefully.

Completing their first season of play in district 12 4-A, the Trojans had a record of 4 wins and 10 losses, and a season record of 10-17.

Our thanks to Coach Sewell and the Trojan squad for a fine season.
